

Cyber Monday Sale

Long Island Webmaster understands that people want to learn how to manage and maintain their website instead of hiring someone, we offer private classes for people who want to personally learn how to maintain a website along with how to create a website.

Classes are one on one via zoom/skype/anydesk/teamviewer, you will be able to ask a webmaster any questions you have regarding your website. Questions that relate to web design, coding, digital marketing, content production, backlinks, etc.

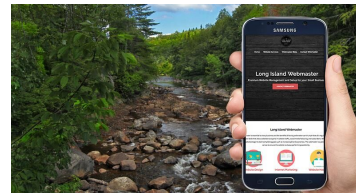

Classes are 25% off from Nov 22 - Dec 1.
